PantherThe argument is that "under God" implies that America is Under Christianity. This can actually be taken in other ways, but it's quite obvious that "under God" represents the Christian "God". Because of the seperation of church and state, many people say it should be removed (endorsing Christianity).

In my opinion, it should have never been added in the first place.
this will never change becuase america is a meltingpot society. You're american first, then your nationality/relgion second, that why i'm proud to be CANADIAN!
