ok... well I am k00leo the owner of -B\$E- and because some of our members hav decided to leave ren to go to yuri's revence we need some more people. We are a sniper can and in the ranking we are ussually 9-12th. if you would like to hav a tryout for this clan there are a few requirments to fullfill.

1. must use a 500 sniper
2. must be good ofcourse
3. listen to leadership
4. pass tryout
