Javaxcxcowmisfit! don't care what anyone says, the BBC does not like America, everytime I've ever watched it they do nothing but put in smartass , cheapshot comments against us. This is just another smear campain from them.

Care to point out a few examples of how they don't like America? You have got to stop viewing your country in this "holier than thou" aura where you can never fuck up or do any wrong or stupid.

While this story sounds pretty ridiculous, but none of you have refuted it.

If i recorded the crap that is BBC news, i would gladly upload it, but i don't. Besides, even if i presented it to you, ITS POINTLESS, you would just say "thats not bashing america" then your other left wing freinds would come and say "OMG LIK YA HE IS RIGHT COW U SUX !1111 O AND THATS SPELLED WRONG !1111"

I don't think my nation can do NOTHING wrong, i know we've done plenty of wrong things in the past. Such as the abuse at abu grabe (how ever you spell it)
