cowmisfit Besides, even if i presented it to you, ITS POINTLESS, you would just say "thats not bashing america" then your other left wing freinds would come and say "OMG LIK YA HE IS RIGHT COW U SUX !1111 O AND THATS SPELLED WRONG !1111"

So let me get this straight: BBC news doesn't like America because Cowmisfit said so. Cowmisfit doesn't prove it, not because he can't, but because he doesn't want to. I don't think I need to continue with THAT one.

But aside from that, while you're a moron most of the time who speaks incoherently and out of blind and closed-minded patriotism, that doesn't mean you'll be wrong ALL of the time. Show some evidence to back up your claims, otherwise you're just falling into your otherwise moronic habits.
