Javaxcxcowmisfit Besides, even if i presented it to you, ITS POINTLESS, you would just say "thats not bashing america" then your other left wing freinds would come and say "OMG LIK YA HE IS RIGHT COW U SUX !1111 O AND THATS SPELLED WRONG !1111"

So let me get this straight: BBC news doesn't like America because Cowmisfit said so. Cowmisfit doesn't prove it, not because he can't, but because he doesn't want to. I don't think I need to continue with THAT one.

But aside from that, while you're a moron most of the time who speaks incoherently and out of blind and closed-minded patriotism, that doesn't mean you'll be wrong ALL of the time. Show some evidence to back up your claims, otherwise you're just falling into your otherwise moronic habits.

I already told you moron, i don't record BBC news to show you , just go watch it yourself turn it off what ever algizera (how ever you spell it) that you canadians watch and turn it to BBC for a while. I guarentee you at least 2 - 3 times they will make a cheap shot on America.

O and when did i say that they don't like america because bbc said so? J_ball agree's with me as well, and im sure some others around here would too. Its not some "radical opinon" that some of you seem to think i have of the world, its a fact. Don't be blind.
