Javaxcxcowmisfit You do not like the war, not because of the morality of it, but because you follow the law by the book. Which is basically saying to me, You agree we should be there because what he was doing is wrong and it would be wrong for us to sit and watch it, but then again, it's illegal so let them die. Hypocrite (however it's spelt) at its best.

That isn't hypocrisy. My stance is that your nation has done the right thing the wrong way, and seem to refuse to take responsibility for the wrongness of committing an illegal act.

Quote: They are different things, that's common sense, but at times they come hand in hand with each other. You have one or the other you can't have both.

You're wrong. Accept responsibility for your crimes. C4prox speaks truth.

Explain to me in detail how you would have gone about it. And I will tell you why I think it's wrong. Please do so, make it 2 pages if you want I'll read it all.
