Man i love those old computers, reminds me of the good old days. Loud clacking keyboards, 12 char a sec internet connection....God bless, when computers were computers.

ya they've been showin the movie "Hackers" alot lately on the movie channels..

it brought me back lol.. floppy disk's.. mmmmm

btw you guys are still wrong..

who can guess what year these pix were taking of Bill Gates?

and i just now noticed bill is throwin a floppy at the cam.. and they caught it mid air.. i was like damn wtf is with his hand lol
