Englandlve noticed loads of "SO and So's Clan Server!!" with a ping of 20 and 20 odd player slots. but there always fukin closed, why dont these jackasses open them up ffs.

here is a few clan names

SNK clanserver

@TBS@ clanserver

R - S clanserver

they 12/16 pleyr server great for 56ks

always closedi doubt they can even host 12 players...thats why they always shut
