PointlessAmblerWow, Umbral, how long did that take? ...And how many times did you all die?

Too many times too count. DaveGMM kept getting pissed at me because he got in the way of my Pyrokinesis blasts directed at monkeys.

This was our little troop:

Warranto: Marine (SH00TZ TEH GUNS DAT MAEK TEH PEEPULZ FAL DOWN!!111)

DaveGMM: Navy (0H NOES! SOME1 STEEL AL UR M3G4HURTZ!!11)

Umbral: OSA (OGM Y HIS BRIAN SO BIG?!!!?11/1)

Pyrokinesis > All. To hell with Warranto's Fusion Cannon set to Death Mode.
