All I know is this: POWER TO JOIN RESOLUTION 4. Makes it illegal to burn the flag.

I don't like flag burning at all. I don't consider it freedom of speech. You don't show your disgust for your country's actions by burning it's symbol. That's a lack of patriotism. If you're so pissed, refuse to wear red, white, and blue. Remove everything patriotic from sight in and outside of your home.

Burning the flag is spitting in George Washington's face. He's the one who designed it. I'm pretty sure he'd be thrilled to see the people, that he faught the British for, burning the American symbol that he designed.
