If i've gotta defend myself in that kind of situation i've got a few deer rifles, 3 BB guns, 1 Desert Eagle (yes the real thing) , 45 Colt, Various knives and just my will to survive.

However if anything like that happens, i would probably drive down to my uncles house in Texas. He's got hundreds of guns i'd venture to say, and enough ammo to last at least a year or two lol. Big hunter.
