Seriously when I played it, I wasnt like: "Dude, this sucks ass from a straw on a saturday in Saugatuck", i was more like, meh, im goin back to renegade. The Jumpjets in it were fun though. And Renalert wasnt bad either. I hated it when I got my sniper rifle and got mowed down by the damn helis thinking i could bring them down, but hell. Thats life. And then i was like, meh, im goin back to renegade.
