Goku: Hey lets go to the camping or the forest for no reason

Krillian: ok hehehehe

Bad guy appears out of a tree

Bad guy: I am the super major bad guy that is totally stronger than you. I sense your weak power and you are not strong at all. I hate you goku ever since we were 6 but you don't remeber because you are a fucking retard. Let's fight.

Goku: ok! Lets fight! I love big strong fighter!

*goku and badguy fight for 30-40min *

Badguy: Wow you are strong but Imma kill krillian because he is weak and always dies.

*Goku goes super saying and punches through bad guys stomach.

Bad guy: OMG U R STRONG? WTF!

bad guy dies
