We may never know...

Every link I click on though seems to have a topic about Ashley Simpson on multiple forums. They all seem to ask the same question and are asked by the same person.

I just read about Ashlee in us weekly. Those guys at the football game were total jerks. She said she wishes the critics will pick on someone else and i agree. Do you think MTV is gonna play the boo on her show? It's on after Newlyweds again right? I hope they let her tell her side!
