No Iron-Fart, im not an angry person. Im actually known as a very funny ass kid at school almost a class clown. I however hate blind stupidity when it comes to polotics, i hate liberals. I hate them. I hate them.. I hate them. I made 3 cry last week during the inagriation. Those little pussys.

I don't care how stupid YOU think it is. I asked you to prove something to back up your position. And you STILL have not. Are you THAT afraid of looking information up?
