Thank you for visiting our website and also for your generous membership contribution to the American Civil Liberties Union.

Through the years, the key to our success and our greatest source of strength has always been the support of ACLU members who understand our freedoms can never be taken for granted – they must be vigorously defended or they will surely be lost.

I am glad to know that you share our commitment to defending freedom. I pledge to you the best efforts of everyone at the ACLU as we work together to protect liberty.

Sincerely,

Anthony D. Romero
