1. I don't know who Simon Cowell is and I most likely don't care.
 2. You don't speak for anyone but yourself. Saying "no one likes you or cares about what you think" is contradictive and wrong. If we're going to talk about what everyone doesn't care about, I'd say it's you... But then again, I don't speak for everyone like you attempt to.
 3. This isn't a Ren & Stimpy community. It's a Renegade community.
