All of this fighting is bull-hockey. When you get up there and you see Jesus sitting with god and your like "SHIT WHAT WAS I THINKING BUDHA!?!". They're like, Hey there, We're christian. Want in? And as long as your like "Thanks man I was so worried" They'll be like "No prob bra, happens all the time". And then you can live in peace and happiness forever. I just hope I would get extended the same curtousy if I get up there and it turns out God is a golf club.

Now let me once again try to punt this on track.
