I've never smoked never will. I had asthma problems when I was 12 and that scared the shit out of me. Obviously I wasn't smoking back then, but if I had been, and my asthma problems kicked in, I would have been much much worse.

I've drunk vodka, beer, rum all the regular stuff before. I'm sure most of you have. But I'll never let it develop into a habit of mine.

Thats very true. You can't buy them from the shop if you are underage, but its easy as hell to get your hands on cigarettes. If you wanted to smoke you could have easily done it.
