DeathgodSuperMidgetSniprs You guys dont understand that this game isn't THAT important to be elite with infantry, the tanks are what win you the game in renegade.  
Yes but this thread is about infantry.

Also, that's another thing I have to debate when sniping, Power? or Stealth?

Stealth is always better as a sniper. If you can land the first shot undetected you should always win.

Cant always nail a head shot on the first shot

I think powers better
