Just incase any of you havent noticed: I, TMSnipR, haven't beel playing Renegade since I moved house about half a year ago. Not as if any of you will have noticed

Thought Id say a few things before I left you all for good:

1) I have never cheated on Renegade, during the good AND the bad times. Despite being accused of it many times.

2) Im looking for a career in computer games programming. If any of you know someone who knows someone, give them my hotmail n msn email - pjtheman at hotmail dot com. Want to get into the biz, if any of you can help then id really appreciate it...

3) Almost 16 now, got mi National Insurance card 3 months before birthday...

4)Doing well in my GCSEs. A range from A* to C in my mocks. The A*'s are for Electronics and ICT, and I got an A for Maths, so, yes you who were thinking it, im officially a nerd, geek n a tw@t, n probably many more words too ...

Look forward to a lot views and posts...

TMSnipR, AKA - Pjtheman, PSCoder... [The list grows, its a habit]
