AircraftkillerDemolition manAircraftkillerActually, imortal is one of the best players out there - he just does this stuff for reasons unknown.

I still wish he wouldn't release it.yes now because most ppl left the game...

You don't even play anymore, so I fail to see the logic in your flawed assertion.Thats because you are dumb and only flame ppl.

I don't play any more because i got a beter game (planetside). They know how to support a game and take a risk unlike EA. :rolleyes:
