CrimsonDemocrats at their very finest. Go on, assholes, keep hating your country.

SHUT.
THE.
FUCK.
UP.

I say the pledge of allegiance whenever my class does it, and I have no problem with it. But if you really do love your country, then you should be able to recognize that people have the right not to say it. Don't accuse such a huge amount of American citizens of hating their country.

I like how all you guys can really do is roll your eyes at SFE's dissent quote... You make an impressive argument.
