I am the founder of my new clan the Dead Five Combat Soldier clan and am in need of members who do NOT cheat, use renguard, are on alot and are friendly players. I no longer ask for peoples username and password because it caused much greef and people called me a n00b. LOL. You can page me on WOL i will be on alot now that i have my own pc, or you can email me at deadfive@msn.com

It is truly your choice if you want to tryout, but be warned this is a n00b and cheat free clan, and is dedicated to NOD and playing AOW. As i am the foudner of the clan i have many maps that are in rotation on my server. NOTE that i can only host for 6 as i have 256k DSL. I will get a mini permenant server up and running. I have one now ith everthing for renguard and brenbot. It will be up soon. Think hard and enjoy the clan if you make it in.
