AircraftkillerEnglandAircraftkillerYou guys obviously don't know how to use a Mammoth Tank.

It's the most expensive, and powerful, tank for a reason. A very good reason.

Sorry Master ACK, you obviously know all..

Well, considering I've been using Mammoth Tanks for over a year's time, and considering they're my tank of choice in a large battle with enough cash, I think I'm pretty sure of what I'm talking about. Some people learn from there mistakes others just don't.
