ChronojamXeonTeamWhy do we cheat? Because we like being pricks =B We like to know how long we can be pricks too and maybe set a record for how long we can be pricks until we must stop!

So it all translates to that? My suspicions are confirmed at last.

wow chrono you just pointed something out to me...Although i tend to avoid reading the garden fertilizer that XeonTeam likes to call English....

Long and Prick Xeon, can't be a set of words you are used to hearing around yourself in the same sentence can it?

You are a sad little boy, get a life, take a hint and fuck off back to the mothership...Kthx
