Hello,

Thank you for contacting EA technical support. I am sorry that you are having difficulty. We are currently looking into this. If they are down our engineers will be notified. Thank you for the report.

Dear EA,

I played Command & Conquer Renegade Online for a long time now, there seems to be a problem with Westwood online, you cant connect to any game servers. This problem was happening for two days now. A number of people have the same problem, almost no-one can connect to a game server.

I hope you fix this issue soon

Yours truly,

Mike C.
