WyldoneUSAnj Bobo, stay on it. and thanks to any and all trying to get info for the players and posting intelligent comments.

j4S[p] get a freaking life dude, we all understood what whiskey was asking, you just look the fool with your comments.

pffft some people just gotta be jerks. <---no sunglasses for you.

Geez sorry, I guess if I asked what EA is up to I'd get the same answer, huh? People post all kinds of stuff here, all kinds of other games, hardware, etc. Don't blame me because his post was fucking vague.
