No idea what you are talking about Fox. I didnt have anything planned, (that i can recall) I disappeared for a while because i was having a baby. It's also the same reason i dropped my irc network, because Smokie was too busy with the WoW beta too.

Yeah Fox i ONCE killed someone falling from a chopper in City flying and that guy screamed Cheat at me for the rest of the game, regardless of the fact i had RG on.

I hate n00bs, morons and idiots in general. :rolleyes:
