The segregation part is correct though. They say the school isn't segregated. LooK at your lunch tables or gym classes.

At my school. Theres a few tables of "hot chicks" "preps" and then "nerds" and "stoners / skaters" mixed in then the "goths" Then the black kids aka "gangsta aka the most annoying loud fuckers you've ever met, and then the white kids who want to be black, wait correction THESE are the most annoying. '

Gym Class, at least when we play basketball it can be 10 white kids and 2 black kids on a team, and it will be a 2 man game between the black kids because they won't pass the ball to anyone else.

Only thing funnier than a white kid acting black is a black kid acting white (ever seen one? I have and its halarious.)
