cowmisfitglyde51lol, I only use it when someone calls me a geek, it makes the hockey kids go "What the-?!"

I'll give you another good comeback or just to make fun of kids , gets me a fw laughs.

When lacross homo's walk by say something allong these lines if they are carring there sticks
"EW THATS DISCUSTION PUT YOUR SHAFT AWAY AND STOP TOUCHING YOUR HEAD
YOU SICKO"

What in the five blue shades of greasy fuck did you just say, boy?

And more importantly, why aren't you learning your alphabet instead of pissing around on the internet, spewing out unintelligable retardation that we have to deal with? Honestly, you should be very, very concerned right now. You can't even form a coherent sentence.
