DaveGMMcowmisfitCorrect me if I'm wrong but your around 14 mabey 15 years old?

You're wrong.

How the fuck can you hope to argue decently when all you do is base your arguments (such as they are) on age?! The mind boggles.

And Doitle, I don't turn everything around. Just the bits that are true :rolleyes:

When did i say i based my arguments on age??

You a kid, i know that, i said your a dumbass kid. Thats not basing it on age. I could say Jake is a dumbass adult, but that doesn't mean i'm basing my opinon on age.

ABut since you brought up your age, how old are you? 12?
