AuroraX0LurkerXBlazerLOL...but *as I said*, they both had similar attitudes. Just because WSE had several people banded together, doesn't make their creed any different.

I can't believe you signed up on these forums just to threaten me for mentioning the holy name of WSE. Really, really...sad.

I didn't have a fucking problem with you or n00bstories or crimson or anybody untill you mentioned WSE, I was my own person in a good spirit

holy shit, you were your own person? You mean like, you weren't someone else? Are you still for sale?

I meant like, I wasnt with a group or anybody to start a war or something to destroy Renegade u know? like my own kind of person and dont get smart
