LurkerXBlazerI didn't ban you. I even SAID that I wasn't going to bother banning you. You're really wearing out your welcome however.

yeh whatever someone just IP banned me or make it like I cant view pages as in page cant be displayed but hey doesn't matter then

The site has auto-DDOS protection, so if you click refresh too quickly it thinks you are a bot and you get auto-firewalled. :twisted:
