Indeed. I know my english isn't perfect. I don't speak two languages but three.

And believe me ackrap, socialism in europe is far from based on Karl Marx ideas nowadays. I already told you that and you are still defending your ignorant point of view.

IRON-FARTWhy would you use a french translator if you live in Belgium?

Well, I don't use any, French is my first language.

(here is the website of my university : <http://www.iag.ucl.ac.be> in french as you can see.)
