[18] Aprime15: You're right.

[18] Aprime15: Dumbass alert.

[18] CDEMBRING: lol

[18] Aprime15: Yeah, I don't know what my sound card is because it's uber old.

[18] Aprime15: Only know it's a Creative.

[18] CDEMBRING: yeah, and I'm also a n00b for not knowing what my integrated, unlabeled sound card is

[18] Aprime15: The case? What's wrong with the case? Did it make your mom grow tentacles or something?

[18] CDEMBRING: LOL

[18] Aprime15: And omg yes im a nubb pwn me @ teh renegay im ze ze zeeeeeeeeee noob

[18] Aprime15: oggmmm

[18] CDEMBRING: he isn't even aware that you only made a typing error when saying 1024mb

[18] CDEMBRING: and he thinks that when someone doesn't know what their sound card is, they are automatically dumb, can't build computers, suck at life, and have crappy systems

[18] Aprime15: Yeah, wasn't sure if I was going to say 1024mb or 1GB.

[18] CDEMBRING: lol

Oh, almost forgot...

I love your logic.

AND...

n00bstories.com What is a n00b (not noob)? The definition we're using on this site is a player who may or may not be new to a game, but insists on doing brainless things, especially things that hinder the team. Those who are defined by this site as "n00bs" will also refuse to listen to words of wisdom or, even worse, berate those who try to help.
