i can tell you that conquest winter loads, mods always enable vote, and it usualy votes out...

Let me tell you the top 3 maps that people like on unrules:

- Cairo
- Tib Pit 3
- Terrace

Based on statistics I have done with the logs, these maps have the highest number of players in when they are loaded, they have the highest number of requests to be played in map votes and they have the least number of people to leave once they join.

Will they be in CP2? NO because bhs don't like titan
