noodlesl was looking for a LAN in

Germany and the last one was in 2003...Surf to <http://www.interclan.nl> in Holland, there are much Renegade players. Search with GOOGLE or contact me via Email. I have some links to LANs, but the most played game is Counterstrike BAH....

icedog90There are currently 20,330 ranked players on WOL.And how many accounts are regularly in use? There are much dead accounts where the ppl forgot their Passwords. me included with approximately 10 accounts. I noticed all in a Word document now

Naamloos: There are really enough maps to play on! Don't think that's all Unrules got on the servers! I think the most of us have much fanmaps, Elite in this forum? but the most players out there only have the Westwood and maybe the CP1 maps..... :rolleyes:
