TheGunrunl think ACK is a myg0t or g00n.

g00n - These little bitches dwell in remote websites that continue to get shutdown by the FBI. All the while pretending that they are "1337" hackers when they dont know the first thing about computer coding let alone hacking.

poser

AirCraftkiller - Knows what he is talking about MOST of the time. Although often more critical than need-be, often his advise should be heard and not critisized.
