cowmisfitMoral of the story: Never trust anyone on the net not even the slightest bit because as soon as you do they'll do something like this  
:rolleyes:

You know what I said, so don't even start that bullshit.

cowmisfitif your joking always be sure to add that or Hey Im JOking comment at the end becuae you can't relay emotion over the net enless your on a mic or cam or soemthing  
You actually listened to me for once. I'm actually quite surprised.
