Yeah I heard about this too. I was going to post this exact same thing, but I decided not too because it didn't seem 100% reputable. I couldn't find it anywhere else, but I guess that's censorship for you.

I feel really pissed off that they have to lie to us like this. Actually no - i'm not pissed off at that. I'm pissed off that they lie to us when they don't have to lie.
