In Cap's last post i noticed the word "my" and "new". What the fuck? Comeon, any moron can add AI to a map, that's the easiest thing to do. Now, can you name me 5 people, that would actully play this map after your done? Comeon, if you were ever one that thought ack "stole" the map from westwood, what the fuck are you doing to it now? "Modifying" it? Stupid people...
