Jzinsky Can't be done, no one from Harlem can work for the BRITISH secret service. An American can't even be in the police over here if I remember correctly.

By the way, P.Diddy, isn't he a rapper that doesn't do much rap anymore? Also can you take seriously a guy that calls himself "Puffy"?

Yeah....Britain has nothing to do with this new movie, like stated above. Read it next time, might help out with your responses.
