Doitlel was just wondering where in general you were. If you were in school currently or not. Anyhow here in the midwest that's how the schools are. They are obsessively anti-religious. You get disciplinary action talking about your own religion! It's insanity! Of course if your muslim or Jewish then of course its alright. If I say Oh it's Lent. GREEN SHEET. I could be getting pelted with Menorahs and thats "Diversity"... Grr...

Here in California, we celebrate the Jewish holidays in school....Wether we are Jewish or not. Celebrate might not be the right word, but we get days off on the Jewish holidays.
