VitaminousStop quoting everybody.

...And most importantly stop raping your mom.

deadfiveMad Hatter, you are a moron. First, that so called "EMAIL" from EA probobly is a fake. Secondly, they wouldnt change kanes name. And even if they did the choices wouldnt be names like Dave, ect. And lastly, who did you get the email from? "IF ITS REAL"

One thing, EA sucks, we all know it. But even they wouldnt bother to go BACK and change kanes name or the earlier red alerts.

I think this, at least needs quoting again....
