icedog90BeanyheadDon't let people get you discouraged, just keep working on it. If you enjoy doing it, that's the most important thing.

Most of us are flaming him because he makes a topic just about every single day. That's including almost all of them being on the same subject.

People are flaming him because he makes a new topic every time he fixes a spelling mistake on his website.

He's got a website... Good on him, but he needs to work on it a lot before he can show it off.
