deadfive- Your site is lookin' really good regardless of how you got to this point. Good job. However, one thing has GOT TO GO...or be redone! It's sticks out like a big hairy mole on your page...You ever seen that movie Powers Gold Member where Austin is fixated on Dr Mole's giant mole? I'm sorry deadfive, but that's what that RenGen logo is like man! "Moley, moley...moleh..." (a giff of that scene where he's pokin the mole with a stick would be perfect right now, but my wife returned the rental yesterday!)
