I'm just wondering if it's possible AT ALL if I could leave the pictures of the band members out of the banner so it is less crouded? I mean there is a page of photos on the website right? If there were 3 ro 4 members this wouldnt be so hard but with the pictures provided and the amount of band members this isn't an easy task...

I'm making one with them in but I'm wondering if I try one without them in if it would be "allowed".
