Majiin Vegetahow can you be so sure

buying a new video card requires you to walk or drive or bus or whatever to the shop look for a card and a nice price buy it and get back home then you have to install it update drivers etc.. where i live that would take me a good 2-3 hours

<http://www.newegg.com>

Plus, your idea of buying a new video card would actually be faster. This topic has been around for a day until someone finally made a replacement. Your idea of buying a video card would take 2-3 hours.
