Quote:Karl,

I am not sure what you mean by FDS serial.

If you require an new serial number to install the game, you will need to contact us by phone. We will then need to take some details from you, at which point we can give you a new number. Make sure that you have the CD and box in front of you when you call, and we will be happy to supply you with a new number.

You can ring us on 0870 2432435 between 9am and 9pm Monday to Friday.

I hope this helps

Best Regards,

David
